RELATED PROFESSIONAL EXPERIENCE

1997 ~ 2000

Talk Artists Initiative, Nicholas Building, Melbourne

Founding member of Talk Artists Initiative Inc. This exhibition space was located in the heart of the Melbourne CBD and took in emblematic views of Finders Street railway station and the Royal Botanic Gardens. It ran a full program of diverse shows for almost four years. My involvement with this space exposed me to an exhibition model that encouraged dialogue amongst artists and experimentation with presentation concepts and staging techniques. Curatorial projects through this space include the exhibitions *Minum Art*, an investigation into the miniature in contemporary Australian Art.

2005 ~ 2007

Managing Curator, La Trobe University Visual Arts Centre

The inaugural manager of this multi purpose arts facility that is located in the arts precinct of the regional Victorian city of Bendigo.
